

**This =>** object / thing / person near by you.

This my book.

This my dog.

This computer is a stupid machine.

**These =>** objects / things / persons near by you.

These books are mine.

I can't read these words.

These members are listening my speech.

**That =>** object / thing / person far from you.

That car is my father's.

That star is very far from the earth.

I'd like to go in that country!

**Those =>** objects / things / persons far from you.

Those two men seem to be late.

Those towers are so far!

Look at those stars.
