

SAY

what you feel
it loud
something to her
that you love me
anything
what's on your mind
nothing at all
a lot
a prayer
thank you
you're sorry
goodbye to him
a few words

TELL

a friend
the truth
a lie
us what happened
me that you love me
you why
her something
him how you feel
no one
a joke
them the news
a story
you a secret
me it's okay
